MEMORANDUM FOR: Director of Security
ATTENTION: Chief, Employees Activities Branch
SUBJECT: Request by Defense Department to have certain OSS documents downgraded to allow Professor Armin Mruck, Unofficial Researcher, use of such documents in a manuscript being prepared by him
REFERENCE: Memo, DOD, subject as above, dated 11 Dec 61 attached

To maintain as much continuity, as is possible, in declining the downgrading of OSS documents which would be used by writers, researchers, movie officials, etc., it is my feeling that in this case there should be no exception made and that Professor Mruck be denied the use of the attached OSS classified documents.
